 - Hysterosonography
 - Bone Density / DEXA

Patient History: _____

Appointment Date: _____ Time: _____

PREPARATION FOR YOUR 3D MAMMOGRAM

- Please bring all past Breast Imaging including mammograms and ultrasounds. You may need to sign a record release for the facility.
- Please do not wear deodorant, perfume, powder, ointment, or other preparations in your underarm or on your breasts.
- For your convenience, wear a blouse with a skirt or pants, rather than a dress, since it is necessary to undress to the waist for the exam.

PATIENT CHECKLIST

- Arrive at Southtowns Radiology at your designated arrival time.
- Please note:** A Southtowns Radiology representative will be contacting you if additional preparation is needed for your study.
- If you are having a study that requires a sedative, you will be asked to arrive earlier, and you must bring a driver or arrange for transportation following your exam.
- For MRI studies only:** Please wear or bring clothing without metal (metal snaps, metal zippers, metal buttons, etc.). If you do not have this type of clothing, we can provide it for you.
- Bring your insurance information and co-pay.
- If possible bring all previous diagnostic studies (films and report) of the body part we are scanning (e.g. CT Scan, X-ray, MRI, 3D Mammogram and Ultrasound).

DIRECTIONS

Close to home. Far from ordinary.
